Additional Information

I look forward to working with a great company that I can grow in, and retire from. I am eager to learn new things. I have flatbed, stepdeck, double drop rgn, and dump truck experience. I have lots of experience with vacuum and, gasoline tanker trucks, and using high pressure water pumps, pressure washers, steam cleaners. I've handled and supervised oil spill cleanups, tank, and pit cleanings, tank levels by transferring and hauling off fluid. I have experience doing minor repairs, 90 day inspections, brake adjustments, lubing trucks, electrical, hoses, etc. I have studied cargo securement for open deck trailers. Securing such items as heavy equipment, metal coils, pipe, anything for an open deck. I love to work with a team or by myself. .
